Traditional FUN RELAY Team Event

The ever popular Beardie Fun Relay will be held once again in 2025. This fun relay has been a tradition at the BCCA specialty for 25 years! The relay will begin after the conclusion of the official trial on Monday, November 3rd 2025.

Teams of 3 will complete for bragging rights as the 2025 BAD Relay Champions. Prizes will be awarded to each member of the top 3 teams. All dogs must be at least 15 months old and be actively training for agility or have competed in agility to participate. Please don't enter an untrained dog thinking it will be fun as it can actually be dangerous for an untrained dog to run. Scores will be time plus faults with the only fault being an off course. **There will be a SEPARATE REGISTRATION FORM that will be available on the BCCA website by September 1st. We will be HAPPY to help you find a team, if needed. Dogs may only register for one team and each team must have 3 dogs with 3 different handlers.**

Do you have a retired agility Beardie? Think about entering your dog in the Glory Run (no fee). The retired dogs will run the relay first and will go one at a time. Be sure to check RETIRED BEARDIE to the entry form. Retired dogs may run the relay as part of a team but will then not be eligible for the Glory Run. **There will be a SEPARATE REGISTRATION FORM that will be available on the BCCA website by**

MEASURING and HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to the Trial

form.

It is the sole responsibility of the exhibitor to have their original, Official Jump Height card or
Temporary Jump Height Form at each trial to present upon request. Additionally, if a
measurement is necessary, it is the exhibitor's responsibility to have their dog measured PRIOR
to running.

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple jump Heights within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular or both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO)

For Exhibition Only may be offered at the option of the host Club. FEO will allow exhibitors to work with their dogs in a trial environment. Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.

Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.

Fix and Go On (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners** SM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
